

APPOINTMENT OF NEW INDEPENDENT FINANCIAL ADVISOR FOR SERVICING AND/OR FUND ADVICE

HANSARD
INTERNATIONAL

Please tick option 1 or option 2, or both as applicable, and complete the relevant details overleaf.

Option 1 – “Servicing Independent Financial Advisor (IFA)”

You should choose the option to appoint a new Servicing IFA if you are no longer receiving financial advice relating to your contract from your previous Servicing IFA or the company that you purchased your contract through.

Note that your new Servicing IFA appointed under this option will not have authority to perform any transactions on your contract, but by choosing this option you are giving them permission to review and monitor your contract and the performance of your chosen investments, and to then provide you with their recommendations for you to act upon should you choose to do so.

Depending on the contract type, your new Servicing IFA may receive a regular remuneration directly from Hansard.

Option 2 – “Fund Advisor”

This option should be selected if you wish to appoint an independent external company to be your Fund Advisor who will provide you with investment advice. This may or may not be a different company to your Servicing IFA.

Your Fund Advisor will have authority to review your contract in order to provide you with ongoing advice regarding your investments and to perform switching and/or dealing transactions as applicable to your contract directly on your behalf, at their discretion, and without your explicit confirmation for each transaction. This is sometimes referred to as a “Fund Advisor with discretionary powers”.

Your Fund Advisor will not receive a regular remuneration from Hansard, but you may agree to remunerate your Fund Advisor which we can facilitate with regular withdrawals from your contract. We do not allow this to be more than 1% of your contract value each year. If this option is selected, then we will withdraw the relevant amount from your contract each quarter and will pay this directly to your Fund Advisor. Contract charges may apply when a withdrawal is taken, as detailed in your Contract Terms and Conditions.

Please be advised that we do not currently provide the facility for you to appoint a Fund Advisor who does not have discretionary powers.
